ATTENTION: QUALITY CONTROL MANAGER

SUBJECT : QUALITY SYSTEM AND/OR SPECIAL PROCESS SURVEY RESULTS

Thank you for the courtesy and cooperation extended to our Quality Assurance Representative during the survey performed at your facility.

As a result of the survey, you are considered as an "APPROVED" source for Lockheed Martin Space Systems Co. All quality system and/or special process approvals are listed on the attached form. When Quality Clause "QA7" is present on the contract, the special processor must be a current Lockheed Martin approved source specifically approved to perform the process.

This approval remains in effect through 30-APR-2009.

Lockheed Martin Space Systems Co. reserves the right to:

1. Cancel its approval at any time.
2. Require a resurvey at any time.
3. Require a special survey in connection with the specific contract.
4. Require formal corrective action for associated nonconformances as a contingency to maintaining your approval.
5. Have its representatives inspect at any reasonable time the facility, equipment and process controls (if applicable), and any work or material in process on applicable Lockheed Martin Space Systems Co. contracts.
